North America's Favorite RV Company!

TRACER

NO SACRIFICES

For the consumer who is looking for ultra-light weights, but doesn't want to sacrifice style, amenities, and comfort . . . we've designed the Tracer series travel trailers. The Tracer Executive offers spacious layouts, plush residential furniture, and other high-end features not typically seen in an ultra-lite trailer that is often thousands of pounds lighter than traditional trailers!

Tracer 3175RSD

The Tracer 3175RSD Entertainment Center features built-in fireplace, 50" TV, and Bluetooth stereo.

NO SACRIFICES

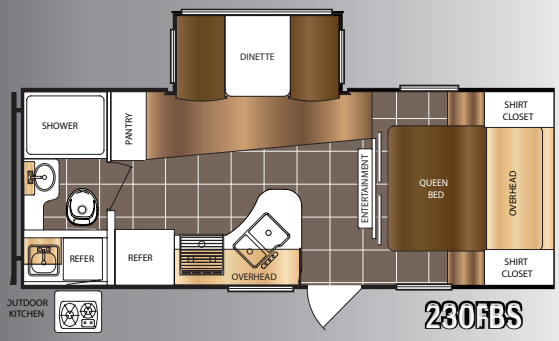

TRACER AIR

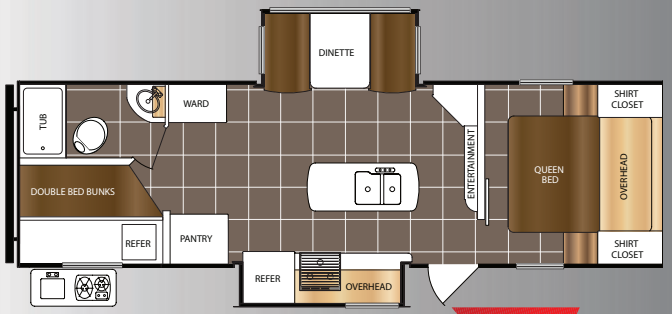

Tracer 253AIR

For the ultimate easy-tow ultra-lite, take a look at the Tracer AIR! A special breed of travel trailer, the Tracer AIR was designed to be towed by many of today's cross-over and mid-sized SUV's. Featuring Prime Time Manufacturing's exclusive ETERNABOND® Construction, EZ Tow wide track suspension, and durable high gloss fiberglass exterior, the Tracer AIR proves that a camper doesn't have to be light on features to be light in weight! Tracer AIR will allow you to enjoy your next trip while making *"NO SACRIFICES"* on comfort and convenience.

New 2940RKS

3150BHD

New 3175RSD

3200BHT

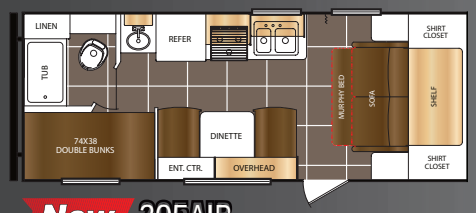

The Tracer Executive represents the pinnacle of ultra-lite innovation, featuring wide-open, spacious layouts that are often hundreds of pounds lighter than traditional floorplans. The Executive Series offers premium upgrades like Residentially-Inspired Furniture, Electric Awning, an LED Television, Slam Baggage Doors, and a Universal Docking Center. Now you can have all the features and the floorplan of your choice in a lightweight easy-to-tow Tracer Executive.

SPECIFICATIONS	230FBS	2727BHD	2750RBS	2850RED	2940RKS	3150BHD	3175RSD	3200BHT
LENGTH	25' 2"	31' 6"	30' 0"	32'11"	33' 9"	34' 0"	34' 10"	36' 9"
HEIGHT	10' 8"	10' 10"	10' 10"	10'10"	10' 10"	10' 10"	10' 10"	10' 10"
HITCH WEIGHT	635 lb.	630 lb.	675 lb.	880 lb.	675 lb.	706 lb.	820 lb.	775 lb.
UNLOADED VEHICLE WEIGHT (UVW)	5,129 lb.	6,213 lb.	6,322 lb.	7110 lb.	6680 lb.	7,210 lb.	7,256 lb.	7675 lb.
CARGO CARRYING CAPACITY (CCC)	2,576 lb.	1,417 lb.	1,353 lb.	2570 lb.	2795 lb.	2,311 lb.	2,364 lb.	1900 lb.

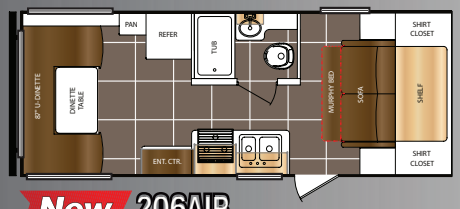

*UVW (Unloaded Vehicle Weight) * is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories. *Estimated Average based on standard build optional equipment.*

*CCC (Cargo Carrying Capacity) ** is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity. ** Estimated average based on standard build optional equipment.*

The philosophy behind Tracer AIR is quite simple: Build an ultra-lite travel trailer that is easily towed by many of today's smaller SUVs with all of the features that make camping a great experience. Make it a size that will allow you to go anywhere and everywhere. Make it affordable. Simply put: *"NO SACRIFICES."*

SPECIFICATIONS	205AIR	206AIR	215AIR	235AIR	238AIR	244AIR	248AIR	253AIR	270AIR	300AIR	305AIR

ADVANTAGE PACKAGE

UNIVERSAL DOCKING STATION

The Universal Docking Station provides easy setup for your camping experience and protects hookups from the elements!

AERODYNAMIC FRONT CAP WITH DIAMOND PLATE PROTECTION

Tracer provides diamond plate Protection to protect your investment.

SLAM LATCH BAGGAGE DOORS WITH MAGNETIC LATCHES

You don't have to buy a diesel motor home to get the security and convenience of bus style slam latch baggage doors.

EZ TOW WIDE TRACK SUSPENSION

Tracer offers E-Z Tow on most models - another Prime Time innovation designed to minimize "bouncing" while towing.

ETERNABOND® CONSTRUCTION

Tracer is built with Prime Time's ETERNABOND® Construction Technology.

OUTSIDE SPEAKERS

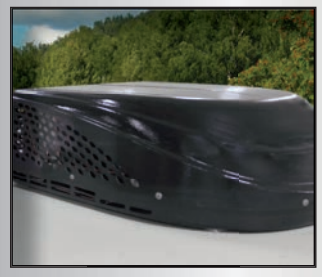

Your entertainment options are multiplied with Tracer's exterior speakers.

BLACK TANK FLUSH

The black tank flush makes emptying the tank a clean, easy process!

DUCTED A/C IN ALL FLOORPLANS

Tracer and Tracer AIR feature residential style ducted A/C for even cooling throughout the unit.

HIGH EFFICIENCY QUICK RECOVERY WATER HEATER

Tracer's high efficiency water heater allows users up to 18 gallons of hot water per hour!

SPARE TIRE WITH CARRIER

Tracer's spare tire affords piece of mind on board your home away from home!

LED TV'S

All Tracers have LED TV's to provide exceptional viewing quality.

GIANT SKYLIGHT AND SURROUND

The extra-large skylight adds great natural lighting to the unit's interior.

ADDITIONAL SPECIFICATIONS:

GAWR (Gross Axle Weight Rating) *is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.*

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

www.forestriverfrog.com

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.

2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!

3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River, Inc., dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
