*Is there anything better  
than food cooked on an  
open fire? There's  
something about getting  
back to the basics of  
using wood and fire to  
cook a meal that makes  
you feel untroubled and  
truly relaxed.*

## Antigua® Expandables

When you want to get away from it all, head there in a travel trailer like no other. The Antigua Expandable is built for almost any adventure you can dream up. And while you're dreaming, pick from one of three décor packages and seven floorplans to make this lightweight towable part of the family.

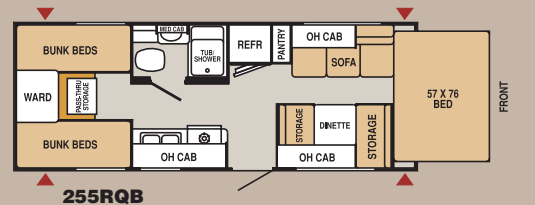

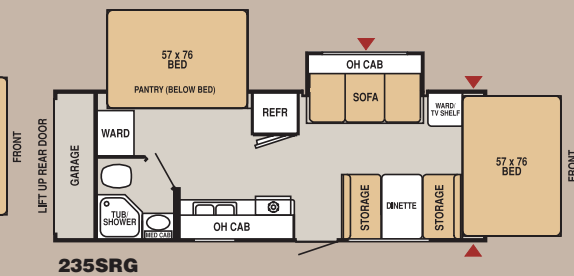

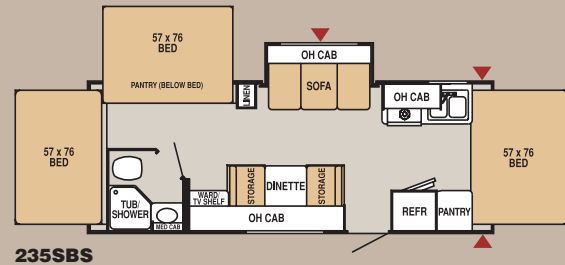

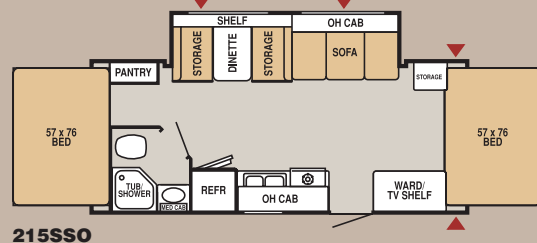

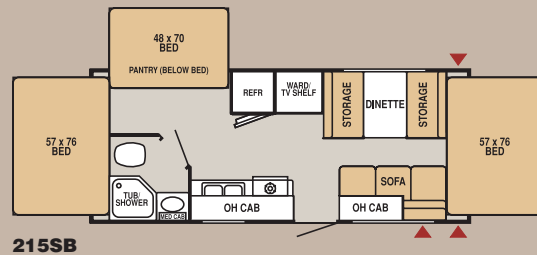

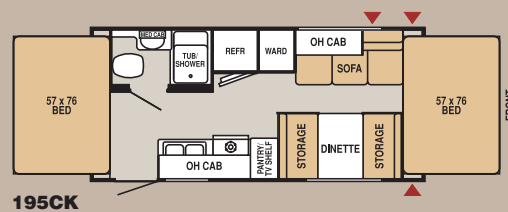

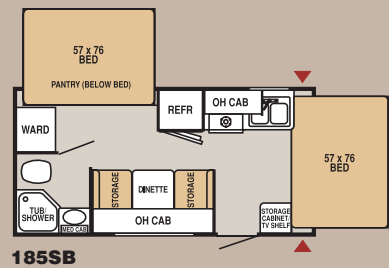

*Whether it's plump, juicy hot dogs or gooey marshmallows, the food never tasted so good. As lightning bugs blink Morse Code as far as you can see and a bullfrog croaks for rain, sit back and enjoy being in the middle of it all. A perfect end to a perfect day.*
