AIRSTREAM®

About AIRSTREAM®

Exacting craftsmanship.
Uncompromising attention to detail.
Limitless inspiration for adventure.

There is no denying that Airstream is the world's most iconic travel trailer for a reason. Durable, reliable, and built upon 90 years of innovation, Airstream Travel Trailers helped write the American travel story. We've crisscrossed the globe, parked at the foot of the Pyramids, explored the National Parks, and camped for the weekend down the road.

Proudly built by hand in Jackson Center, Ohio, USA by hundreds of talented craftspeople, each Airstream travel trailer takes approximately 350 hours to build. Form and function are tightly woven into every thoughtfully-planned inch, and every design is carefully considered. The result is a travel trailer that will last a lifetime – or more.

While we manufacture every Airstream from the wheels up, we like to say that we don't actually build travel trailers. Instead, we build someone's retirement, their well-deserved vacation, or their retreat from a hectic day.

In other words: Airstream builds dreams come true.

With a spacious galley, intimate dining area, dedicated space for sleeping, relaxing, living, and working, and a gorgeous onboard bathroom, this new 28-foot Airstream Travel Trailer is finished with hardware, soft goods, fixtures, and other surprising touches crafted with Pottery Barn's design expertise. Every detail has been considered, from the custom-made sofa and seating in performance boucle fabric – with some of the most comfortable cushions ever to grace an Airstream – to window coverings made with Pottery Barn's oatmeal linen Emery Curtain fabric. More than simply a way to hit the road and see the world, it's a functional work of art that perfectly blends two iconic brands into a travel experience that's beyond compare.

A deep apron sink anchors the spacious, functional galley, complete with a solid walnut cutting board that doubles as meal-prep space.

4 Custom Sofa and Seating

Relax, unwind, or catch up on work with plush seating covered in family-friendly performance boucle fabric that stands up to real life.

5 Solid Oak Wood Table

An heirloom-quality piece inspired by Pottery Barn's best-selling Benchwright Dining Collection, the dinette table is built with oak hardwood, finished with premium materials, and designed to last for generations.

6 Outdoor Hanging Table

Attach the hanging ledge to the window and create the perfect place for a cocktail at sunset. Stow it away in the rear compartment when you head to your next destination.
