The New Sundance XLT is Ultra-Lite camping for All! Our trailers feature aluminum construction, laminated walls and front caps. XLT's aerodynamically designed travel trailers are easily towed by more fuel efficient crossovers and lighter duty trucks. Our feature packed lightweight trailers are loaded with conveniences that will make your camping experience even more enjoyable. We offer plenty of options for families of all sizes, with many of our models sleeping up to 10 people. Whether you are looking for single, double or even triple slide layouts, you're sure to find the right travel trailer for your family in a Sundance XLT by Heartland RV."

Product information is as accurate as possible as of the date of publication of this brochure. Due to Heartland's commitment to continuous product improvement - floorplans, materials, components, features, measurements, specifications, options, etc. are subject to change at any time without notice or obligation. In certain conditions some additional equipment may be needed. Photos may show optional equipment or props used for photography purposes only.

Heartland has listed the approximate base weight of the trailer without the option equipment included. Option equipment will impact the weight of the trailer. Please locate the weight sticker attached to the trailer you are considering for the most accurate trailer weight.

Tow Vehicle Caution: Owners of Heartland recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with a motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Heartland products. Heartland disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Heartland's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle.
