

REGENCY™

2021 LUXURY PONTOONS

# ELEVATE YOUR *Experience*

You've worked hard for your success. You've never settled for "average" and never rested on your successes.  
You've always strived for more, pushing yourself to do and be better.

You haven't been okay with "normal" in your professional life, so you shouldn't in your personal recreation either.

Welcome to the 2021 REGENCY® luxury pontoon boat lineup—six stylish models that have been carefully crafted to provide innovative comfort and convenience features to the most discerning and deserving boaters.

Serve your friends a relaxing dining experience in a secluded cove. Treat your family to an afternoon of exciting watersports. Celebrate a life moment with a special date night.

Regardless how you use it, your REGENCY is quality crafted for long-lasting luxury, comfort and convenience.  
And, it will also provide you spirited performance via the tritoon design.

All to elevate your experiences on the water.

# ATTRACTIVELY *Appointed*

## COMFORT MARRIED TO CONVENIENCE

The REGENCY® team designs and develops every luxury pontoon boat in the lineup to provide convenient comfort for the entire outing.

One way to do that is through the seating. Easily the most noticeable, and most often enjoyed, feature, our plush lounge seating can be found throughout every model, albeit in a variety of forms and layouts. Regardless the configuration, the seats feature multidensity foam and an industry-exclusive suspension system that doesn't require springs.

The seats all house deep storage compartments below. And, every model expands the storage opportunities with STOW MORE™ seat-back compartments, providing more easily accessible storage.

Other easy-to-appreciate features include interior LED lighting, a Bluetooth® stereo, easy-to-deploy Bimini tops (powered on the LE3 Sport and LE3 models and QUICKLIFT® on the DL3 models) and more.

It all comes together to provide you comfort like no other.

# Premium PERFORMANCE

♦ ♦ ♦

In addition to comfort and convenience, every REGENCY® luxury pontoon boat is designed to provide spirited performance via the tritoon setup.

No optional upgrades needed!

Each model comes factory-rigged with three 26"-diameter pontoon logs with lifting strakes (two on the middle log, one on the inboard side of each outer log), wave-deflecting underpinning, hydraulic steering and a Mercury® outboard. The result is a pontoon boat that gets on plane and maneuvers like a sport boat.

Ready to experience luxury in motion?

# QUALITY IN THE DETAILS

REGENCY® craftspeople put a lot of care into ensuring every detail of every model comes together just right.

Below-deck or above, every component you see—as well as those you can't—has been crafted to assure you years of safe outings. Let's take a closer look to see the strength beneath the styling.

## PONTOON LOGS

We craft the 26" logs using sheets of .100 marine-grade aluminum that are cut with plasma cutters to exact specifications for a perfect fit and finish every time. In addition, every log is multichambered and pressure-tested twice. They all feature our DIAMOND COAT™ 2.0 powdercoating, which provides an easy-to-clean, extremely sleek finish for years to come. That same powdercoating is used on the railings and Bimini hardware.

## DECK & DECK SUPPORT

To maximize your safety, we create an extremely durable deck structure.

It starts with M-shaped brackets attached to the top of the pontoon logs. The brackets act like the foundation of a house by providing a solid base for the extruded Z-bar cross members bolted to them. On the outboard sides, the brackets are full-length for maximum support, but they're staggered inside for access to cables and wiring.

If the M-brackets are the foundation, the Z-bars are the floor joists.

They run the full width of the boat and are variable spaced to provide support where needed without adding unnecessary weight. The Z-bars feature a box-beam structure to ensure there are no exposed fasteners below deck.

Speaking of the deck, we use ¾"-thick, seven-ply, pressure-treated marine decking that is warranted for the life of the boat. We secure the deck to the Z-bars with TEK fasteners that friction weld to the bars.

In addition, every REGENCY features U-frame assemblies at the bow and stern that tie the Z-bars together and add more strength.

## ABOVE DECK

We use 1 ¼"-thick aluminum rails that sit upon rail spacers to allow for draining and ventilation. We also install sound- and vibration-deadening insulation strips between the fence and railings for a quieter ride.

We take the same care with the furniture! Every seat base is rotomolded in-house. Then, we upholster the furniture with marine-grade materials to stand up to water, sun and other elements for years.

All that, combined with marine-grade wiring harnesses, fiberglass consoles and more result in a line of pontoon boats that are as long lasting and rugged as they are luxurious.

And it's all backed by our 10+LIFE Warranty!

IN THE FAST LANE

## LE3 SPORT SERIES

Just as the name implies, the REGENCY LE3 Sport Series spans the line between luxurious pontoons and sporty styling with sleek curves and eye-catching color schemes. Inside both models, you and your guests will be treated to a number of amenities that are as comfortable for watersports as they are for entertaining and relaxing.

For example, aft, each LE3 Sport model features a switchback lounge. Flip the backrest one way to create the perfect place to lounge while you spot for a wakeboarder, or flip it the other way to create a comfortable couch for sitting around the table. Speaking of the table, it can be set up at fore and aft positions and has two heights (coffee table or dining) for maximum versatility. And wherever you're lounging, you're going to love the premium sound from the Bluetooth® stereo system.

Other not-so-small details include a rear-facing camera, powered Bimini top, extra-large ladder and snapless mooring cover!

## Adventures IN LUXURY

The REGENCY® 250 LE3 Sport provides a crew of 14 the means to experience adventures in luxury and comfort.

For those who enjoy the sport side of life, three 26" pontoon logs—complete with lifting strakes—a 350-horsepower rating, ski tow pylon and more provide exhilarating performance for watersports. The switchback lounge provides a comfortable spot to watch the action. For luxury and comfort, sleek styling, plush lounge seating, a snapless mooring cover, powered Bimini top and the STOW MORE™ seat storage system has you covered. And for all times on the water, the Bluetooth® stereo provides a soundtrack to every moment.

# Sophistication MEETS SPIRIT

The REGENCY® 230 LE3 Sport melds style, spirit and sophistication in a luxury pontoon boat package that is ready for watersports or relaxation.

On the thrilling side, this model features three 26" pontoon logs, which work with the Mercury® outboard to provide plenty of performance for watersports and cruising. The aft port switchback lounge can be set up to provide a comfortable place to lay back and watch the action, and the rear-facing camera helps the driver know when they're ready to go.

Just as thrilling, but in a quiet, relaxing way, the plush seating throughout provides comfort for relaxing, chatting and just enjoying time with those who matter most.

# CLASSY & *Captivating*

## LE3 SERIES

Entrancing curves and color themes. Richly upholstered lounges. Charming and convenient amenities. Spirited performance.

The REGENCY® LE3 Series invites you and your guests out for an exciting, luxury-filled day of cruising, relaxing and laughing while catching envious stares from passersby.

Choose from the 250 or 230 model. With either one, you'll be treated to four extremely plush lounges, as well as reclining helm and co-captain's chairs. In addition, you'll enjoy a removable table with two base locations and two pedestal heights, premium stereo system, powered Bimini top, swim platform with a boarding ladder, raised helm station and more!

# GRADE A *Grandeur*

With a 25' 1 1/2" deck, the REGENCY® 250 LE3 is an extremely spacious luxury pontoon boat for those who want more room, more comfort and more performance in a top-grade package.

Onboard, a crew of 14 can relax in the four plush lounges and two high-backed bucket chairs throughout. All four lounges feature the STOW MORE™ seat storage system, lighted drink holders and extensive sound system. There's also a movable table, powered Bimini and in-floor storage for even more convenience and comfort.

When not lounging, the entire crew will enjoy the huge performance capabilities provided by the three powdercoated pontoon logs and Mercury® outboard (up to 350-horsepower available).

# NIMBLE *Luxury*

The REGENCY® team designed the 230 LE3 to provide agile performance, classy styling and convenient comfort in a luxury pontoon package.

For performance, this model includes three 26" powdercoated pontoon logs with lifting strakes. For the styling, powdercoated rails pair perfectly with sleek fencing.

And for comfort and convenience, the standard features include four spacious lounges, each with our STOW MORE™ storage system. It also includes fore and aft table base locations, a dash-mounted depthfinder/chartplotter, raised helm, Bluetooth® Kicker® stereo, snapless mooring cover and powered Bimini top.

# WELCOME TO YOUR *Happy Place*

## DL3 SERIES

A sunset cruise with your family. Dinner at your favorite restaurant. An afternoon of lounging. Wherever your happy place, the DL3 Series offers the comfortable amenities you need to enjoy every moment to the max.

The 230 DL3 and 250 DL3 have different layouts aft, but they both offer a number of the same features. While the 230 has dual aft couches and the 250 has a switch-back lounge, both feature dual bow couches with a ton of storage space. And don't forget about the QUICKLIFT® Bimini top, Bluetooth® stereo and swim platform with the ladder!

Where's your happy place? Right here.

# A MODERN *Classic*

The REGENCY® 250 DL3 is the largest in its series, and it uses every inch of its 25' 1½" deck to provide a crew of 14 an extensive array of luxurious comfort and convenience features.

On deck, you'll find dual bow lounges and an aft switch-back lounge—a padded backrest can be flipped to service those on the L-lounge, or provide comfort to those on the double-wide lounge. All the seating provides deep storage below, as well as additional seat-back compartments that can be accessed without standing up.

More than just comfortable, the 250 DL3 features three 26" pontoon logs with lifting strakes for excellent performance.

# Upscale FUN TIME

The REGENCY® 230 DL3 is here to escort you and your friends and family to a pleasurable time on the water, whether that's relaxing in a cove or cruising to nowhere in particular.

At rest or on plane, you'll enjoy comfort and convenience at any of the four couches throughout, thanks to the suspension system and STOW MORE™ seat storage system. Don't worry, we didn't forget about the captain! They get to enjoy a high-backed chair sitting on a raised platform. There's another high-backed chair at port for the co-captain.

Speaking of cruising, the 230 DL3 features three 26" pontoon logs with lifting strakes. Combined with up to a 250-horsepower outboard, deck underpinning and hydraulic steering, this provides runabout-style handling.

# QUALITY COVERS & ACCESSORIES

On the water, you want to protect your guests from the sun. Off the water or in the slip, you want to protect your REGENCY boat from the elements.

REGENCY has you covered everywhere.

Every model comes with a Bimini top to provide shade from the sun. The Bimini top is powered on the LE3 Sport and LE3 models and extended via the QUICKLIFT® deployment system on the DL3 models.

To protect the playpen, the LE3 Sport and LE3 models come standard with a snapless, trailerable mooring cover. The DL3 models are available with the cover as an option.

Other than covers, we also offer options like a STOW MORE™ cooler and grill to help you upgrade your on-the-water experience.

### PREP

ALL MODELS	
ALL ZONES	\$475

The prices in this brochure are listed "Plus freight and prep." Freight charges are the cost of shipping the boat from the factory to the dealer. REGENCY® uses zoned freight rates that reflect the costs of shipping boats to each geographic area, or zone, in North America. Prep charges cover the costs the dealer incurs for labor and supplies necessary to complete a pre-delivery inspection and prepare the boat for delivery to the customer. Freight and prep charges are set by the factory and added to the price of boats shown in this brochure and on our websites, based on the dealer location selected by the customer.

# TRAVEL WITH EASE

REGENCY® offers an optional trailer for those who might want to travel with their boat over land.

We custom-fit our trailers to match the model they support and include extra features to enhance your towing experience. Plus, every trailer is crafted tough with an all-welded frame and our exclusive GALVASHIELD® Impact powdercoat finish, which is extremely corrosion and chip resistant.

## GALVASHIELD IMPACT COATING

# Welcome ABOARD

Welcome to luxurious outings on the water, where you can leave the mundane behind to spend upgraded time with family and friends.

## KEEP IN TOUCH

At REGENCY, we're honored to help boaters like you share elevated experiences with close family and friends. As you chronicle those moments onboard your pontoon, we invite you to share them with us via any of the social media channels below. We look forward to seeing how you enjoy your REGENCY!
